**5 stars – Very Informative and Entertaining, March 28, 2011**

**By Travis G.**

**This review is from: Your Dog's Lifetime Horoscope (Paperback)**

This book was awesome!!! I've read human horoscopes in the past, and they've been so so on accuracy. When I looked up my Dog's horoscope, it was a 100% accurate. I've shown this book to co-workers, family, and friends, and they've all enjoyed it, and were truly impressed. You won't be disappointed!!!!!!

**5 stars – Dogs and Astrology-Cute pix plus light-hearted text make for a fun read!, August 2, 2010**

**By hilloutwest**

**This review is from: Your Dog's Lifetime Horoscope (Paperback)**

This little book is fun to look at and fun to read! In just a few minutes, I learned about the traits peculiar to each Zodiac dog, and I now know what to expect from my own two shelties--one an Aquarius, the other a Gemini. The illustrations are absolutely adorable! This book would make a great gift for dog lovers and people interested in astrology.

**5 stars – Great little book!, August 11, 2010**

**By hilloutwest**

**This review is from: Your Cat's Lifetime Horoscope (Paperback)**

This little book has the same great features as Your Dog's Lifetime Horoscope: well-written astrological details about each Zodiac cat and cute illustrations to match. If you're going to be getting a new kitty soon or you already have a cat, this book will help you know what to expect from your feline friend. The birth certificates are a nice feature too!

**5 stars – Marvelous gift or simply an enjoyable book!, November 15, 2010**

**By Tim Bekbosunov (Boston, MA United States)**

**This review is from: Your Dog's Lifetime Horoscope (Paperback)**

I was immediately captivated by the book's image - vivid, colorful and very spontaneous. And the topic of the book - astrology for dogs - has certainly enticed me to by it. The book was boasting to be a foresight for a dog owner into the eternity. I believe it said something that you will never need another horoscope book for your loved one. When the book arrived, I was struck by the colors, best appreciated in light. Bright and mesmerizing, all of the illustrations are superb and masterfully executed and created by a Russian artist, which you know, if you are familiar with the Russian animation, is quite profound. It is SO hard to find an image that is your favorite. I have several: most cutes virgo dog and the "hip-hop" twins. Everything is clear and transparent. Author Luba Matusovsky's introduction explains why she created such book, and she writes with wit and humor, and an occasional tongue in cheek phrase. Basically, each astrological sign gets a page of text with an illustration of a dog doing something crazy and funny. Everything is discussed, from what is the best birth stone for your dog to what is your dog's softest spot. I enjoyed reading through them - especially the one for a Virgo Dog (my poodle is a virgo), and the tables in the back of the book are quite out of this world. Precise and entertaining, and one can actually calculate the best time to take out the dog (which I am planning to do) and find the best suitable name. Finally, the birth certificates in the back can be pulled out and given to friends and their dogs, presuming one keeps the one for their own dog. There is a place for a photo on a certificate,

which is pretty nifty! All in all, this book can be best described as a gift coffee table book, but it goes many steps beyond it. I own two more, and none are as great, inventive, entertaining, with certificates, and above all, tables and information. If you are looking for something as a gift or for yourself, that deals with the pets astrology, this is the book to get, you'll never get tired of looking at those cute illustrations.

**5 stars – Great gift for Dog Lovers, November 10, 2010**

**By wisdom seeker "Mother" (Denver)**

**This review is from: Your Dog's Lifetime Horoscope (Paperback)**

I have always had at least one dog and am always amazed at how different they are in personality. This book gave me some great insight into how and why they behave as they do and how to treat them in a special way that is complementary. The book described my Koby to a T! The images are so cute and fun, my kids really love them. The detail of each character is just amazing. I can't wait to print both my dogs' pictures to put on the birth certificate and hang on my wall. Great job Luba - I'm looking forward to seeing your cards and posters with these great images!

**5 stars – Very Cute, November 10, 2010**

**By wisdom seeker "Mother" (Denver)**

**This review is from: Your Cat's Lifetime Horoscope (Paperback)**

I bought both the Dog Horoscope and Cat Horoscope books. I do not own a cat, but have friends I would like to give this to as a gift. The images are so cute and fun. It is very entertaining and fun to look at and read.

**5 stars – full of personality, December 28, 2010**

**By star gazer**

**This review is from: Your Dog's Lifetime Horoscope (Paperback)**

This book is entertaining and fun. It makes the perfect gift for any animal lover. Use it to understand you pet at a deeper level and be entertained by funny illustrations. See what you learn about own self by reading this book.

**4 stars – the cat's meow, December 28, 2010**

**By star gazer**

**This review is from: Your Cat's Lifetime Horoscope (Paperback)**

Just like the companion book YOUR DOGS LIFETIME HOROSCOPE, this book is a must have for any animal lover. Although you can enjoy it in one sitting, it is a fun book to read again and again. Leave it on the coffee table to strike up entertaining, interesting, and unique conversations with friends, family and strangers. This book makes a fun and unique gift.

**5 stars – Dog lovers everywhere need this book!, December 13, 2010**

**By dubya49 (Littleton, CO)**

**This review is from: Your Dog's Lifetime Horoscope (Paperback)**

I loved this book, and it is useful in helping to understand my dog's behavior. Her horoscope has told me allot about her that I never knew before. If they get their needs met, dogs are the best pets in the world. This book is a a marvelous gift for the dog lovers who are looking for more insight, and the astrology lover who is interested in knowing their pets.

**5 stars – Cat Lovers and Horoscope Enthusiasts, December 13, 2010**

**By dubya49 (Littleton, CO)**

**This review is from: Your Cat's Lifetime Horoscope (Paperback)**

My mother loved this book, and my teenagers will too. If you have leanings toward the stars for understanding, this little book can help you select your kitten or cat, and even help you name your new pet. It can explain her bad habits and help with solutions. I think we can all use a little advice on how to understand our cats. What a great find.
