Linda Howe is the author of the award-winning breakthrough book, *How to Read the Akashic Records*. Her second book, *Healing Through the Akashic Records: Using the Power of Your Sacred Wounds to Discover Your Soul's Perfection* is set for release early in 2011.

Linda is the founder and director of the Center for Akashic Studies, and the leading expert in the field of Akashic Studies. Specializing in the use of the Akashic Records for personal empowerment and consciousness development, she has successfully taught thousands to work in the Records as a spiritual practice since 1996. Widely regarded as a gifted teacher, Linda Howe is known for making spiritual ideas understandable and useful in the daily lives of her students, enabling them to experience the growth and transformation they seek.

With an international following of students from every walk of life: mystics, artists, writers, business professionals, academics, and healers, Linda is committed to empowering her students to recognize the Light within, and to know their own soul more than ever before. With a greater awareness of the truth, her students are more successful at living lives that demonstrate the universal goodness of the human soul.

Her views of the Akashic:

*The Akashic Records contain the vibrational records of each individual soul and its journey.
